LAYEST INDIAN NEWS AT THE WAR DEPARTMENT.—General Schofield to day received the following favorable dispatch from General Miles about the

Indian situation: "Reports from General Ruger and General Brooke are quite favorable. The presence of the troops now in position has had a demoralizing in-fluence upon the Indians, and those that a week ago were deflact and warlike are now giving evidence of sub-mission. Captain Ewers, Fifteenth infantry has returned from Fort Bounett bringing with him Hump, who formerly did excellent service with me in Lame Deer and Nez Perce campaigns, and was hadly wounded in the latter. He desired to renew his allegiance to the Government, and I will make good use of him to bringing in others. General Brooke reports that the In Hans near White River have turned loose their stolen stock and were coming in. Colonel Somner reports quite a large num-ber of Indians in his vicinity who are willing to obey his orders. These belong to Big Feor's following, and others cated about the southwestern part of

GETTING A JURY.

THE SECOND DAY'S PROCEEDINGS OF THE WARD TRIAL,

A Langthy Controversy Regarding Challenges, Which is Decided in Favor of the Covernment. The Panel Exhausten.

After the close of Tim Cutyre's report of the Ward telal vesterilay aftergoon a panel consisting of Memore. Michael Hallinan, Edward Porrest, George E. Johnson, Gustus W. Francis. John St. Clair, James F. Mauning, William D. Campbell, Frank Jung. haus, Thomas H. Carpenter, George W. Slmms, George Gibson, Leonard Env. mert and Charles H. Turner was re-

because they had formed or expressed opinious that could not be moved by evidence. All the juvers examined were from the regular December panel but it is doubtful whether the panel secured will stand, as the defense may exercise the right of peremptory chal-lenge. After the court adjourned yes day afternoon many of the friends of Mr. Ward seized the opportunity to shake hands with tim, and for some time he was the centre of a large group

of gentlemen.

Long before the hour of 10 this morning speciators began to assemble in the Criminal Court to witness the second tay of Frank Ward's trial. The crowd that gathered was much larger even that that of yesterday. Persons who had never before entered a court-room were attracted by the prospects of a long and interesting trial for murder. Hundreds of persons crowded into the small space. retween the bar and wall, and stood gazing with curious eyes at the slayer of Maurice Adler. Within the bar sat the witnesses and many of the prominent lawyers and citizens of Washington, among them the friends and sympathizers of both Ward and the man whose

His he took. Judge Wilson, one of the counsels, ap-peared at about 9:45 and superintended he arrangement of tables and chairs of the factor convenience of the ateress and official stenographer. ew pringles before the time set for the s unnexcement of the trial Mr. Ward came into the court room and took his sent near his counsel. He carried his overcost on his arm and was accomands effectfully with a number of perons, but spoke but fittle.

Prompely at the colorly the court was spened by the vateran orier, Mr. Mar-bell, with the familiar "Hear ye, hear Presidency." selves." The jery secured yesterday afternoon were seated in the jury box, among them being three colored less. "My friend, there is not considered."

Legislature yesterday before the doors no settled rule for excreteleg percent the and General Clarkson does not were opened. Mr. Mervier, the Pre-tory challenge, but the lest way, he want to be made Secretary of the Inthought, was for the Gavernment to examine the jury first, and if they saw a
jurymen whom they wished to challenge they should do so, and shen his
place was filled they could turn the jury
over to the defense who could exercise over to the defense who could exercise their right of challenge. This process

ould be continued until all the chal-Disries Attorney Hoge stated that the Government could turn the jury over to the defense as being satisfactory with the defense as being satisfactory with nger were exhausted. out challenging, but if the defense ac-

through not having a full panel and to allow for a sufficient number of exercises for sickness, etc., the Court directed that sixly names should be drawn by the circh and the parties summoned by

Justice Blugham, also warned the inters, who were stitting to the lox, that since they might be possible largers in the case, they should be overlad not to consider or converse with any person encerning the case in any mean

The case was then adjourned notil It to morrow morning. Mr. Ward left the court-room at once,

Mr. Ward left the court-room at once, followed by his lawyers, and the highest way.

The jury as it now stands consists of Messrs. Michael Haillian, Edward Forcest, George E. Johnson, John St. Clair, George C. Donaldson, William D. Campbell, Frank Jurghams, Thomas B. Carpenter, George W. Simms, Charles H. Turner, Andrew J. Cockreil, and one place vacant. The defense have exhausted two of its twenty challenges. A number of jurous were rejected and the Government one of its five

WILL TRACY RETIRE ?

Enmured He Will the Transferred to

It is learned to day that the President has three plans in view binging on Attorney General Miller's already to the Dratas. Dec. 11 - Thoothy Realy Beach, says the Washington correspond. The feeling spain of Parterney General Miller's elevation to the spondent of the Brooklyn Cilians One is to promote Solleltor General Taft, of Circlinati to be Attorney General

The second plan is to transfer Secretary Noble to the Department of Justingly "God Save the Queen." The ttee and make ex First Assistant Postmaster General Clarkson Secre-tary of the Interfor. The objection to this to that Mr. Clarkson, while a firstclass executive, is not a lawyer, and the President has always maintained that none but a lawyer should be in that

The third plan, and one viewed with great favor by the politicians, is to trans-fer Secretary Tracy to the Department of Justice and make Clarkson Secretary of the Navy. While Mr. Clarkson said, just before starting to New York with General Aiger, that he was going to arrope in a few weeks, there can be no doubt that he is willing to take a Cabl-net place if any is offered him provided he can take it without giving a pieces of too much devotion to the President' political ambition. It is on this score that the conferences between Clark on After, Platt. Blaine and the President have been held.

A very probable solution of the programme leatender of a Cabinet poem to Carkson, with a preity free swing for him in the matter of supporting Alger for Preddent in 1802. In case

District Attorney Hoge opened the question of peremptory challenge by stating that the mode of challenging in
